The "U"
Presented by
THE SENIOR CLASS OF 1963
UNION HIGH SCHOOL
BURGETTSTOWN, PENNSYLVANIA

Foreword

During our days at Union High School, student life has played a prominent part in our strive for education. Appropriately, we have selected student life for our theme.

As we sail along over the seas of knowledge, our title pages depict our life as students at Union High School.

In order that we might fulfill this student-life theme, we have arranged our

book so that each division page represents a separate pause in our journey.

We sincerely hope that this yearbook will gladden the hearts of every graduate and undergraduate with memories of the past. We of the staff have enjoyed our work on the composition and management of this book, and with a justifiable feeling of pride we now present to you the U for nineteen hundred and sixty-three.

Dedication

MRS. BARBARA LUNGER

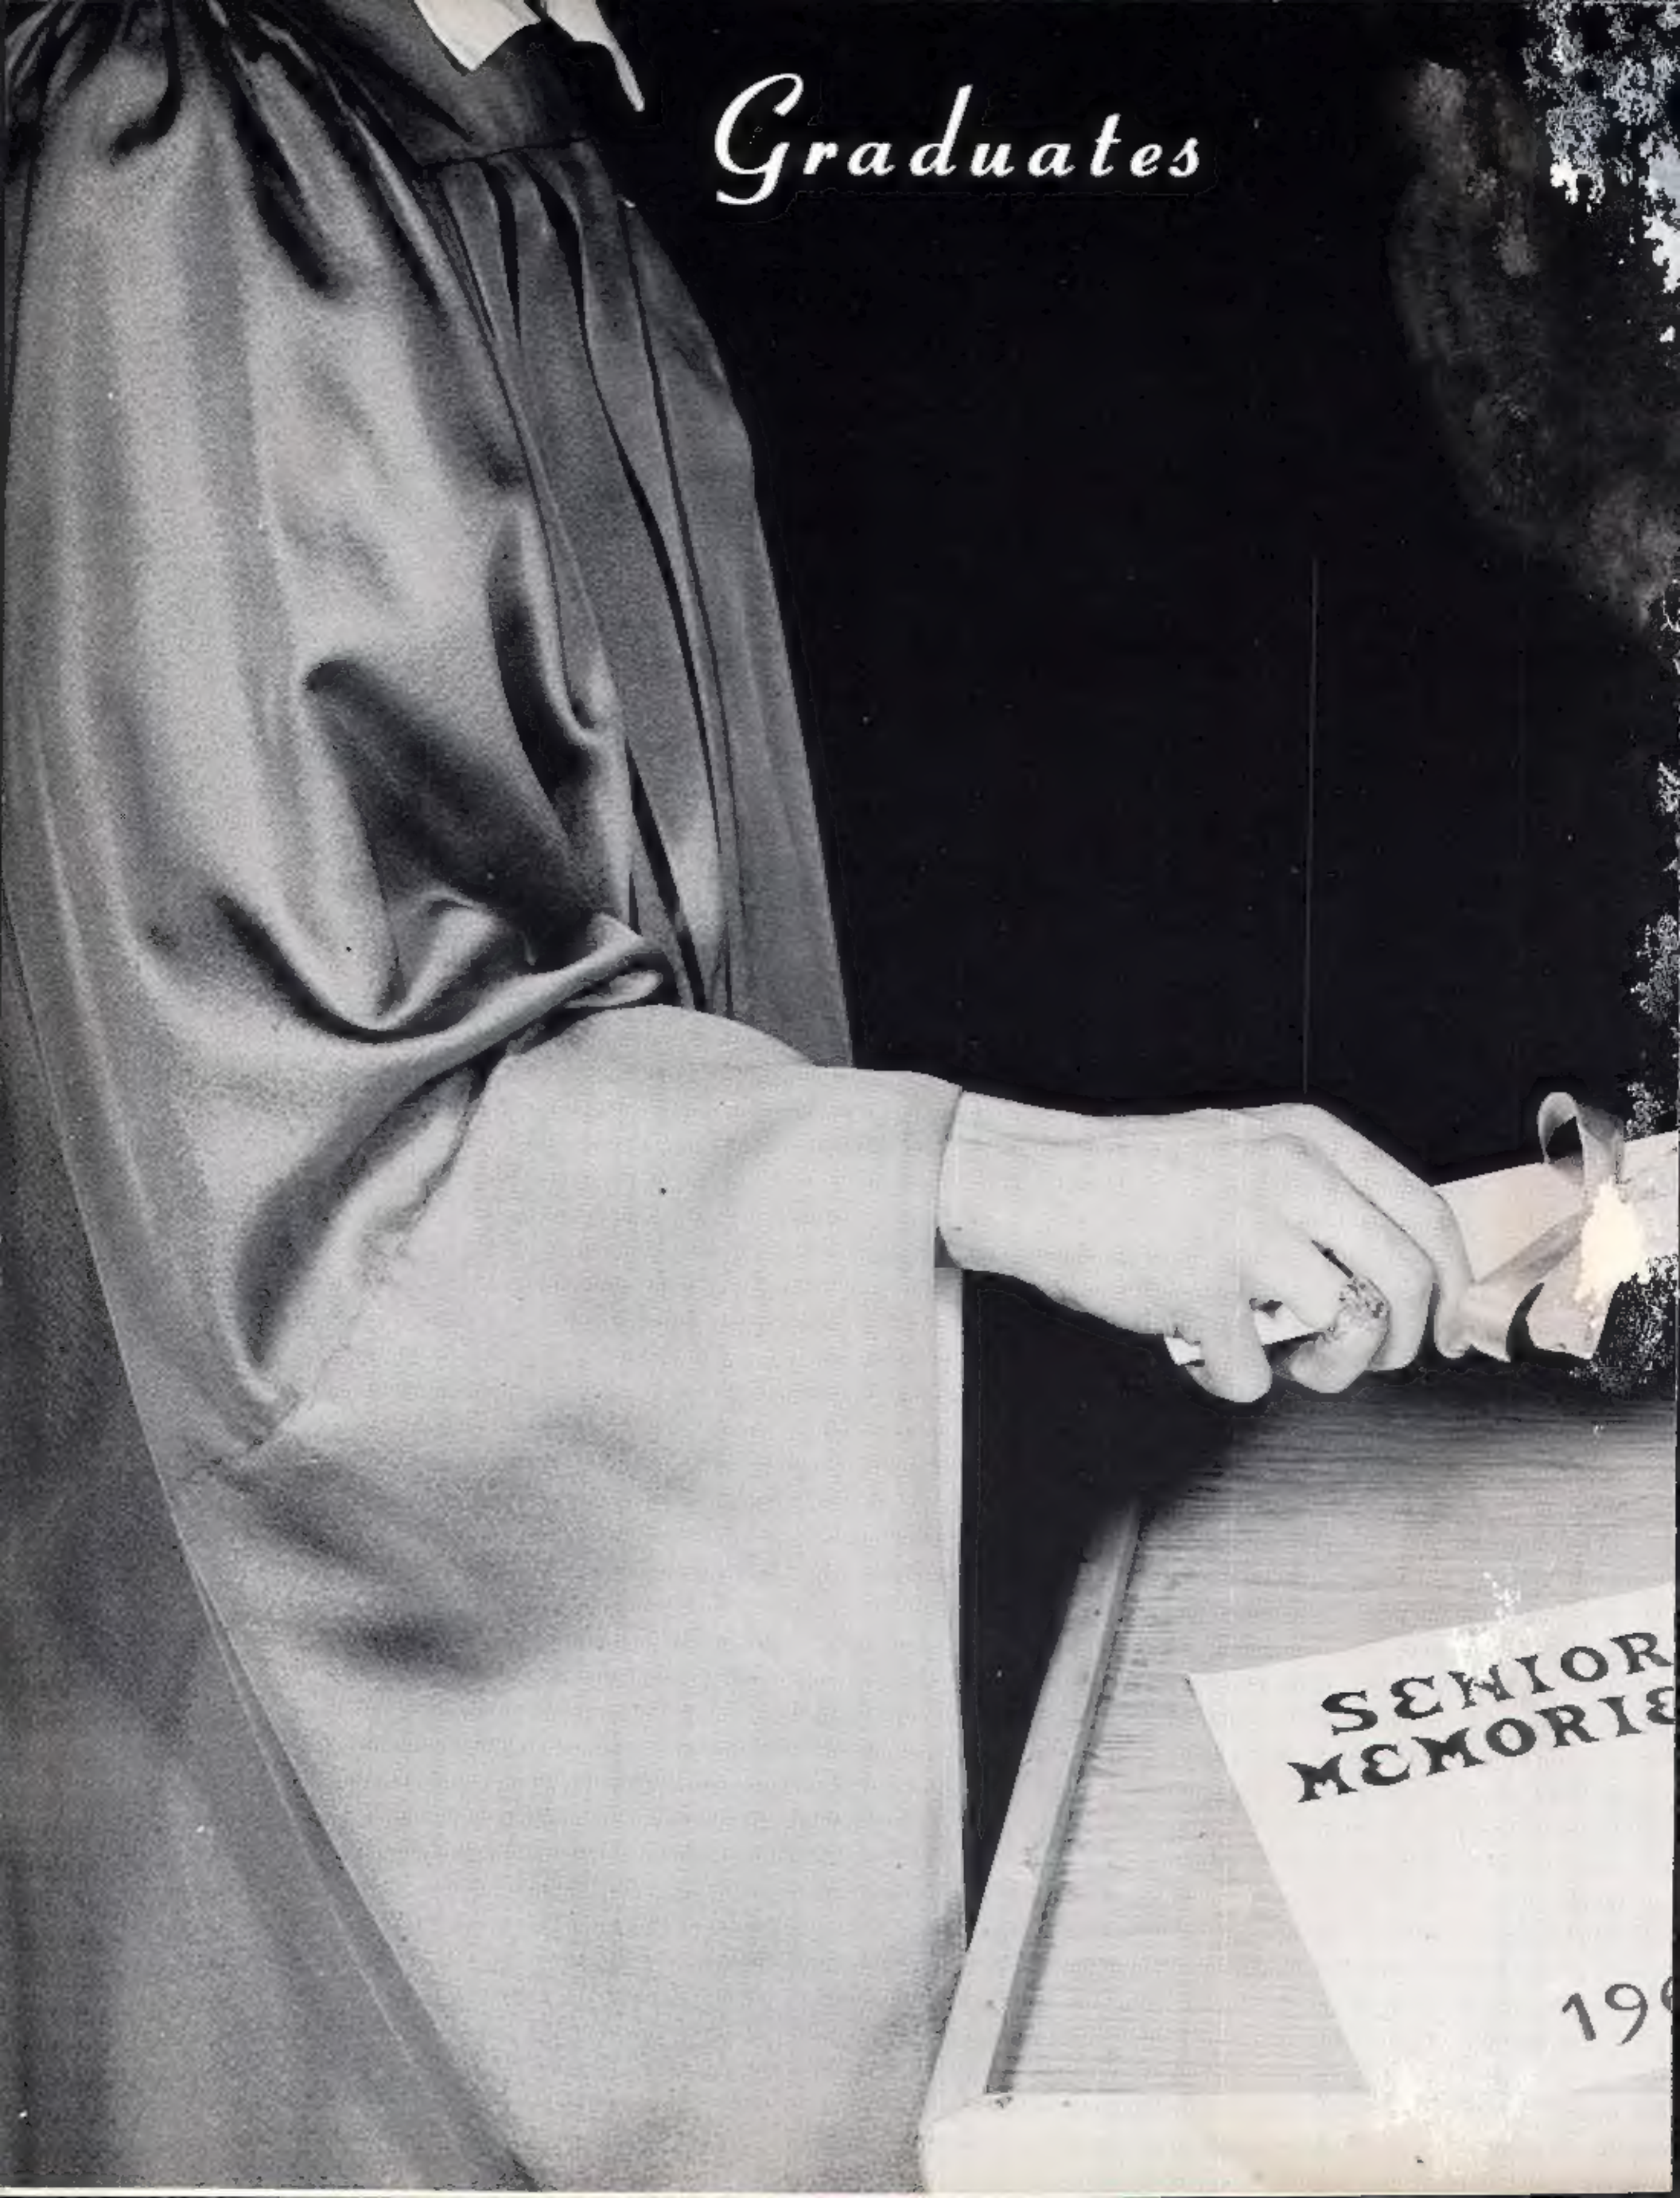

For your aid and friendship, we, the 1963 graduates of Union High School, proudly dedicate our yearbook.

You were always ready to do your part. Whenever we had problems, you were always ready to listen and help us think them through to a solution. Through this guidance and patient understanding, you have influenced our approach toward more difficult circumstances that, when solved,

help each of us to become better students. It is true that we sometimes tend to forget the aid that the teacher unselfishly gives towards our education.

It is difficult for each of us, individually, to express our thanks to you for this help. However, the dedication of this yearbook is our way of expressing our appreciation to a person whom we feel has done much for us and Union High School.

Guess Who

Class History

In September a new group of students entered Union High School for the first time. With the help and understanding of the upperclassmen, they soon settled down to their new routine and became acquainted with their fellow classmates.

At the first class meeting officers were elected for the year. These officers were: Ted Mervosh, president; Jerry Gavazzi, vice president; Paul Tepsic, secretary-treasurer.

Mr. Hanna was the capable advisor of the class.

The first social activity attempted by the class was the Halloween party, which was held in the high school gymnasium. It was well attended, and a good time was had by everyone. One of the main attractions of the party was the awarding of prizes to those who were dressed in the best costumes. Carol Cindrich received a prize for having the prettiest costume; John Kubalak, for the ugliest; Joseph Pribish, for the most original; and George Swanik, for the funniest.

Many of the eighth graders displayed great interest and ability in the various school activities. The year found four members out for basketball and four members out for wrestling. The class was also ably represented by eighteen members in the band and in the chorus. Many joined the different clubs and were very active. One of the most popular among the girls' clubs proved to be the Gamma Tri-Hi-Y.

The Freshman Class started the year well by electing the following class officers: President, Steven Lydick; Vice-President, James Ozimek; Secretary-Treasurer, Ronald Johnston. Mrs. Vukotich, their faculty advisor, spent much time and energy to help make the year successful.

All of the students showed themselves to be full of school spirit, and interested in extra-curricular activities. This up-and-doing Freshman Class decided early in October to have a hayride. A merry ride was enjoyed by all as they rode to the Harris farm, laughing, singing, and shouting. Appetites were good by the time they reached the bonfire. When the cider and hot dogs disappeared, the group gaily returned to the high school gym for dancing.

The class members showed that they were ready to be in senior high school next year and to make a distinguished record for the class of 1963.

This class of sophomores came back without any hesitation to pick up their school activities where they had left them before the months of summer vacation. They were quite different from the class of inexperienced freshmen they had been during the last year. Instead of the shy, nervous attitudes, they assumed calm, refined, and poised actions.

They chose the following class officers: President, James Ozimek; Vice-President, Ronald Johnston; Secretary-Treasurer, Ray Louder. The class advisors were Miss Tiano and Miss Scott.

The sophomores proved themselves worthy members of the clubs which they joined. At all the games their voices could be heard, loud and clear, encouraging our team to victory. The sophomores looked forward to their class party on April 13, where they had a very good time.

The Junior Class started a successful year with the election of these capable officers: President, Ronald Johnston; Vice-President, Jerry Gavazzi; Secretary-Treasurer, Betty Jo Clark. Ted Mervosh was elected as Junior representative to the athletic council.

The class participated in many successful projects during the year. Among these projects was the magazine campaign, under the direction of Mrs. Pusateri. Class rings were selected and ordered.

The acting ability of the juniors was ably displayed when the class presented their annual play, OUR HEARTS WERE YOUNG AND GAY, under the direction of Mr. Brozier.

The nicest project sponsored by the class was the Junior-Senior Prom. This prom was under the capable direction of Mr. Brozier, Junior Class Advisor. Visitors and others who attended the Prom agreed that it was quite a success.

On September 6, 1962, seasoned veterans of four years' service at Union High School prepared to embark upon their final mission. To lead them, they chose Ronald Johnston, president; James Ozimek, vice-president; Linda George, secretary-treasurer.

The Blue Devils, which included seven members of the Senior Class, rounded out the season with an 8 to 1 record, finished third in the WPIAL Class A race, and won the Southwestern Conference Title. The McElhany Award was presented to Ted Mervosh for his outstanding athletic ability. The seven senior players and seven queens were crowned at the dance following the home game.

As graduation day approaches, we recall the many experiences we have enjoyed during our five years at Union and wish to thank those who made it possible. May those we leave behind enjoy their days in the new building as much as we have at good old U.H.S.

Eighth Graders

EIGHTH GRADE CLASS OFFICERS LEFT TO RIGHT: Mrs. Lunger, R. Warchol, J. Beard, D. Boni.

This group of students, that entered our school for the first time in September, soon settled down to their new school routine. They were aided greatly by the help and understanding of the upperclassmen.

Under the capable direction of Mrs. Lunger, they displayed great interest and ability in the various school activities.

At their first class meeting the election of class officers took place.

The first social activity attempted by the class was the Halloween party which

was held in the high school gymnasium. Most of the eighth graders attended the event. Everyone had a good time. One of the main attractions of the party was the awarding of prizes to those who were dressed in the best costumes.

Many of the eighth graders excelled in scholarship, club activities, and sports.

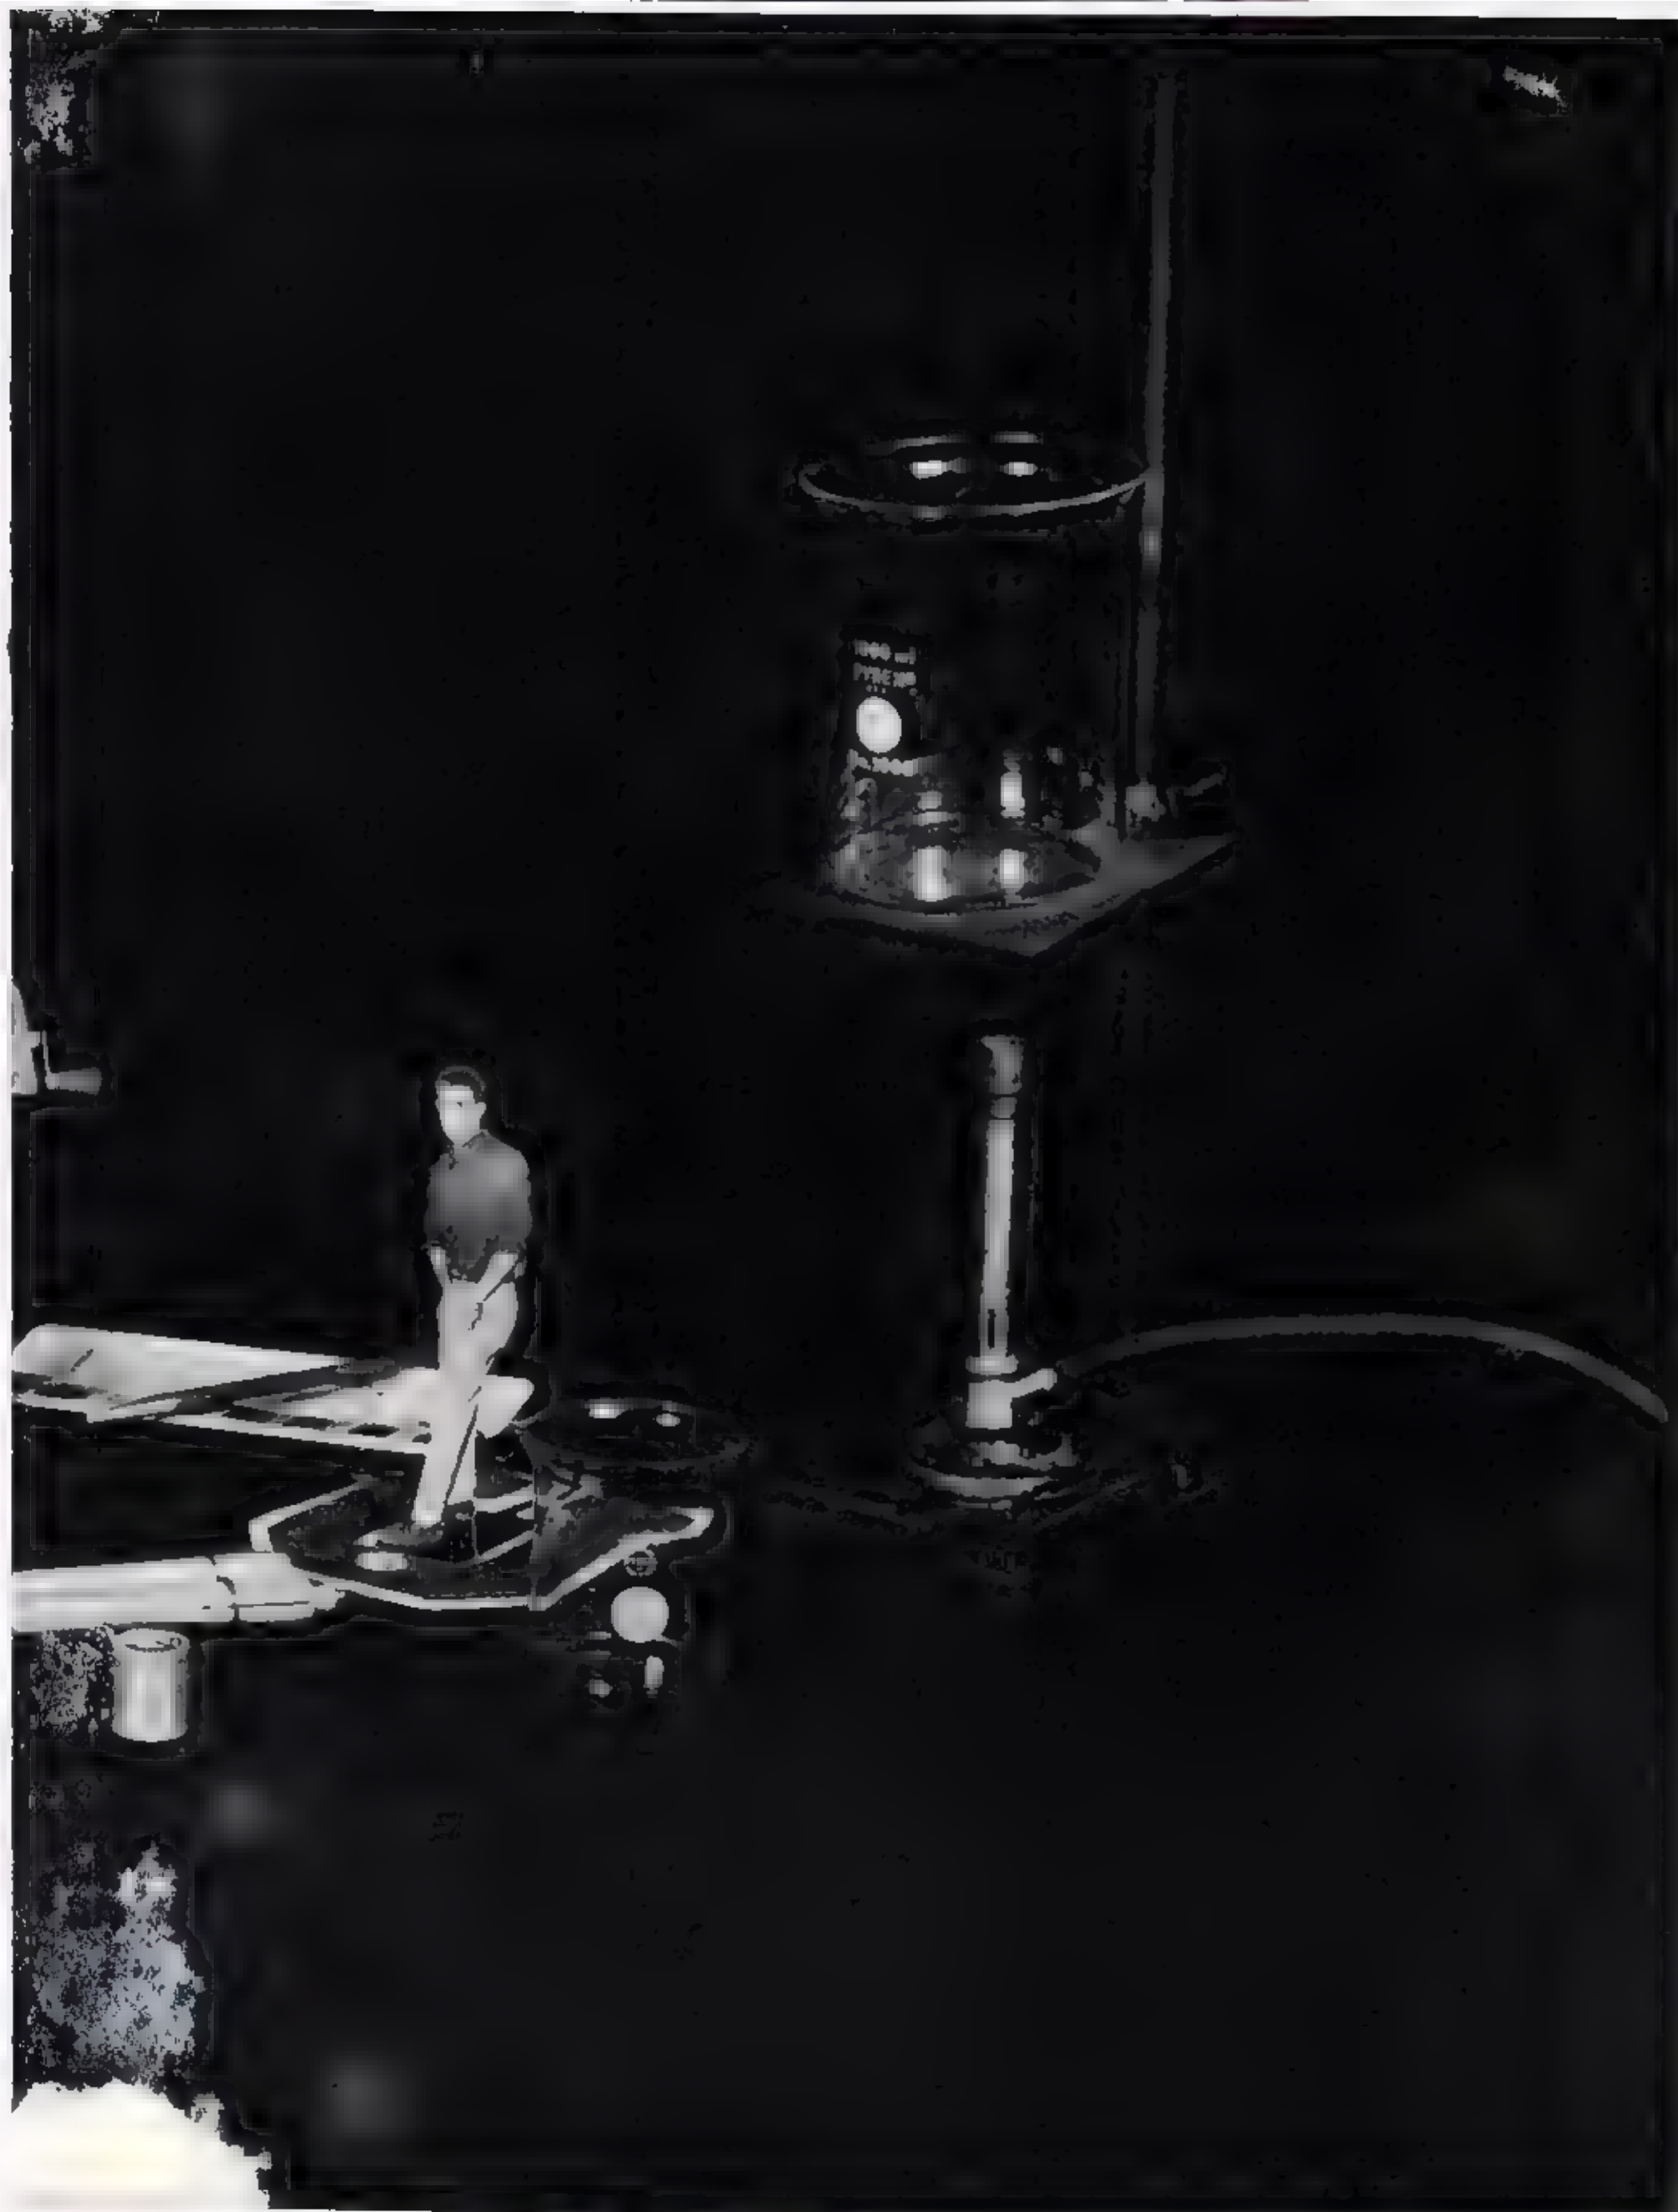

We feel sure this eighth grade class has a promising future ahead of them in their remaining four years at Union High School.

This year's band, under the direction of Mr. Joseph Snyder, has again had an excellent year. During football season the half time performances featured such songs as the ever popular Oklahoma, and the tune that was currently popular at that time, Sherry. The majorettes and the color guard also helped in making this year's football performances a success. Linda George was the first head majorette to wear the new drum majorette uniform.

Attention!

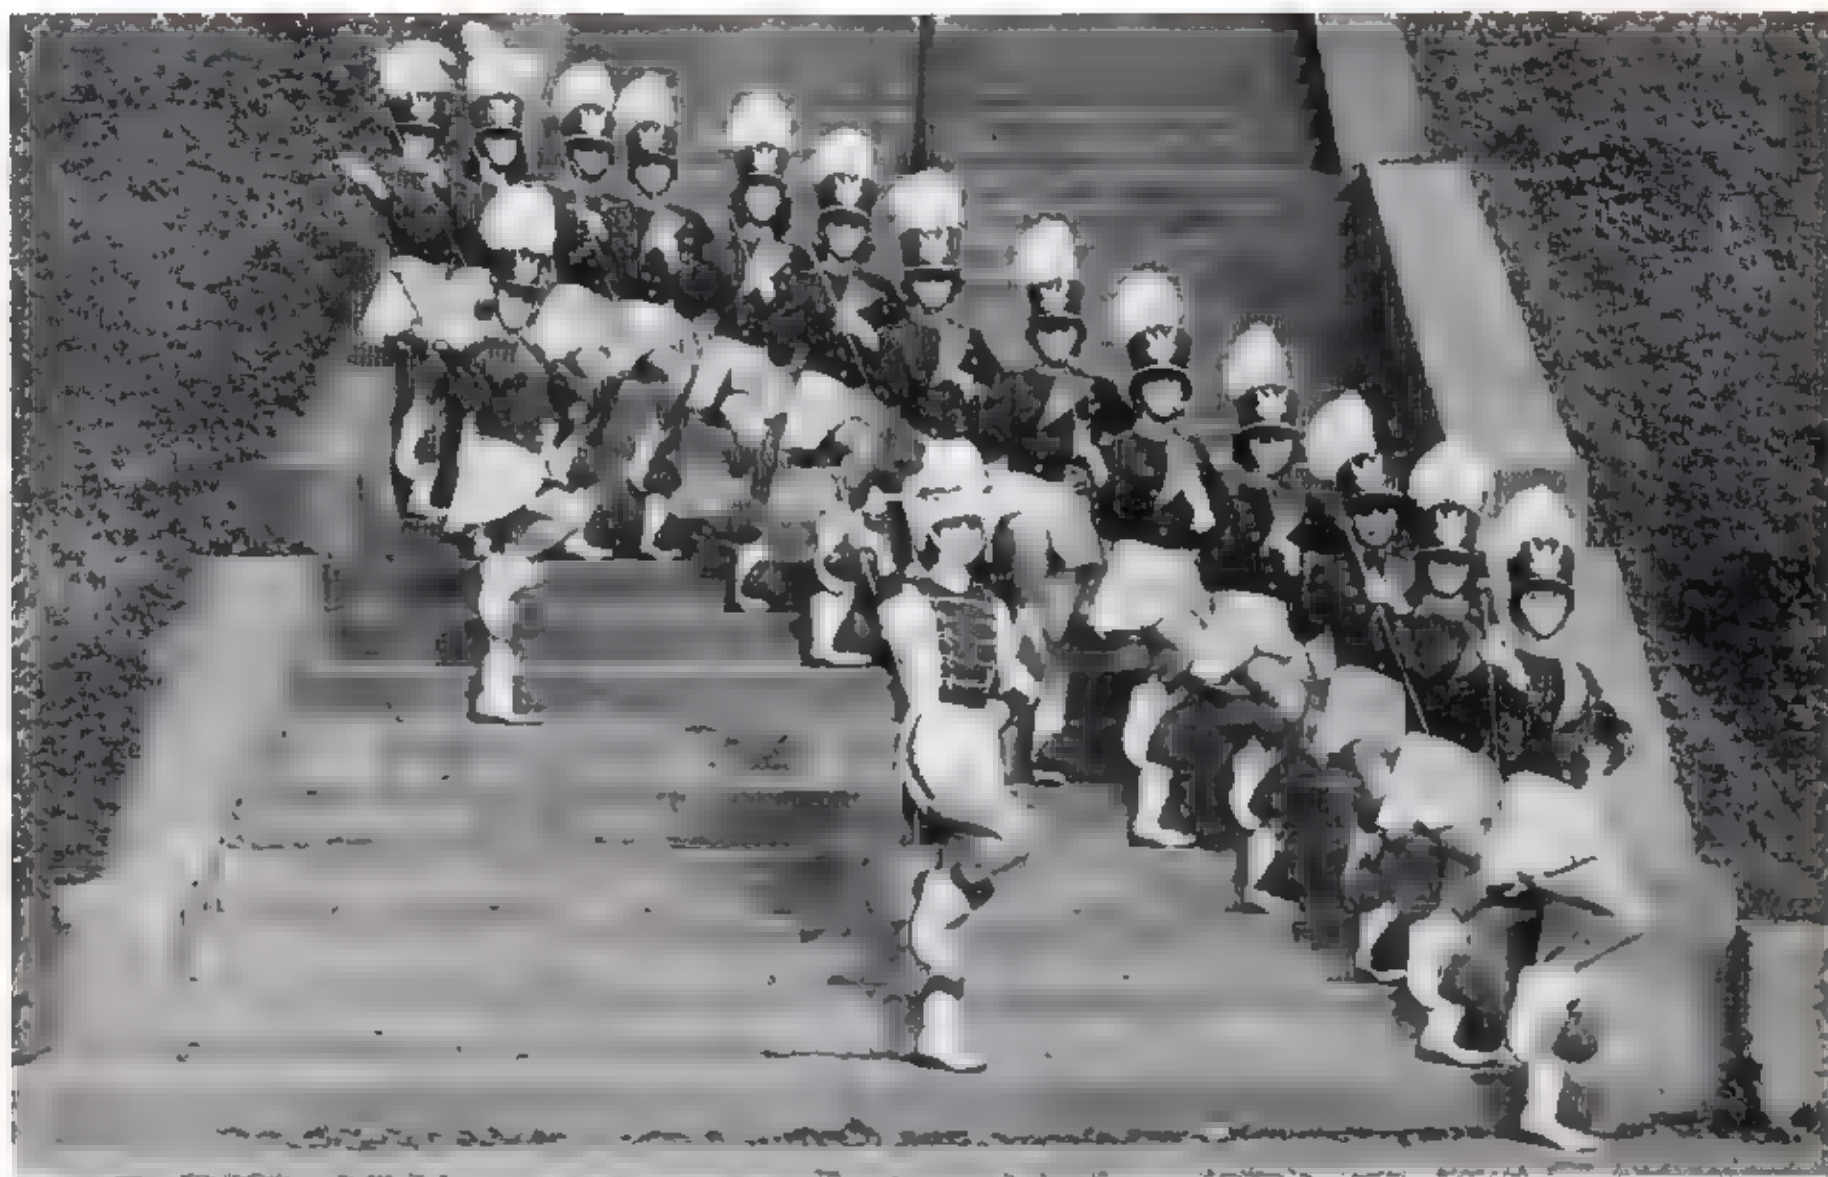

This year the band had a professional master of ceremonies for its annual Spring Concert. The highlight of the concert was Mr. Snyder's trumpet solo, Misty. The band played several fine selections of popular and classical music.

This year's band consisted of fifteen majorettes, three color guards, and sixty-six instrumentalists, who were selected from an available pool of one hundred and seventeen instrumentalists.

The majorettes led by Linda George, made our sports more colorful. Their colorful and unique stunts proved entertaining to all who watched them perform.

Membership of the auxiliary group is based on tryouts, scholarship, appearance, and a natural sense of rhythm. No past experience is required.

Their long hours of practice during the year paid off with flawless routines during the marching at games, and during the clever half-time skits presented by these vivacious majorettes. These activities rounded out a full and successful year.

This year during club period the changing of the name of the club has been discussed. Since electricity will be included in the wood shop course next year the boys have chosen "Kila-Watts." They have also discussed the buying of jackets next year.

This year's officers are: President, Mark Kucic; Vice President, Frank Michelucci; and Secretary-Treasurer, Bill Kucic.

Science Club

The Science Club attempts to develop a keener interest in science. Its work is developed and guided by Mr. Thames.

One objective of the club is to have each member do an individual science project during the year. This project is to be exhibited at the local Science Fair, planned for February, 1963. Judging of the exhibits is done by teachers and businessmen of the community. Prizes are given for the best exhibits.

The club usually makes a field trip to Buhl Planetarium, where the students can observe a display of the stars, or an exhibit of a highly scientific nature.

Musical Groups

The musical organizations of Union High School have been created and have thrived on an interest in music alone. Girls and boys were selected for membership because of their special ability in reading music and in blending their voices and tone quality.

Their hard work and practice proved worthwhile when they presented the Thanksgiving, Christmas, and Easter programs. The groups performed for the Baccalaureate, and Graduation exercises.

Each year representatives are chosen to attend performances of Junior, County, District, and State choral groups where they blend their voices with those of many other students from different schools.

At the first meeting, the officers were elected. They are: President, Candy Vladich; Vice-President, Ted Mervosh; Secretary, Patty Canning; Treasurer, Ron Johnston.

In January they sponsored a dance and a large crowd attended. The Student Council this year has proved very successful.

Refreshment Stand

The refreshment stand is under the supervision of Mr. Kimberland; assisting him are Miss Filipponi, and students of Union High School.

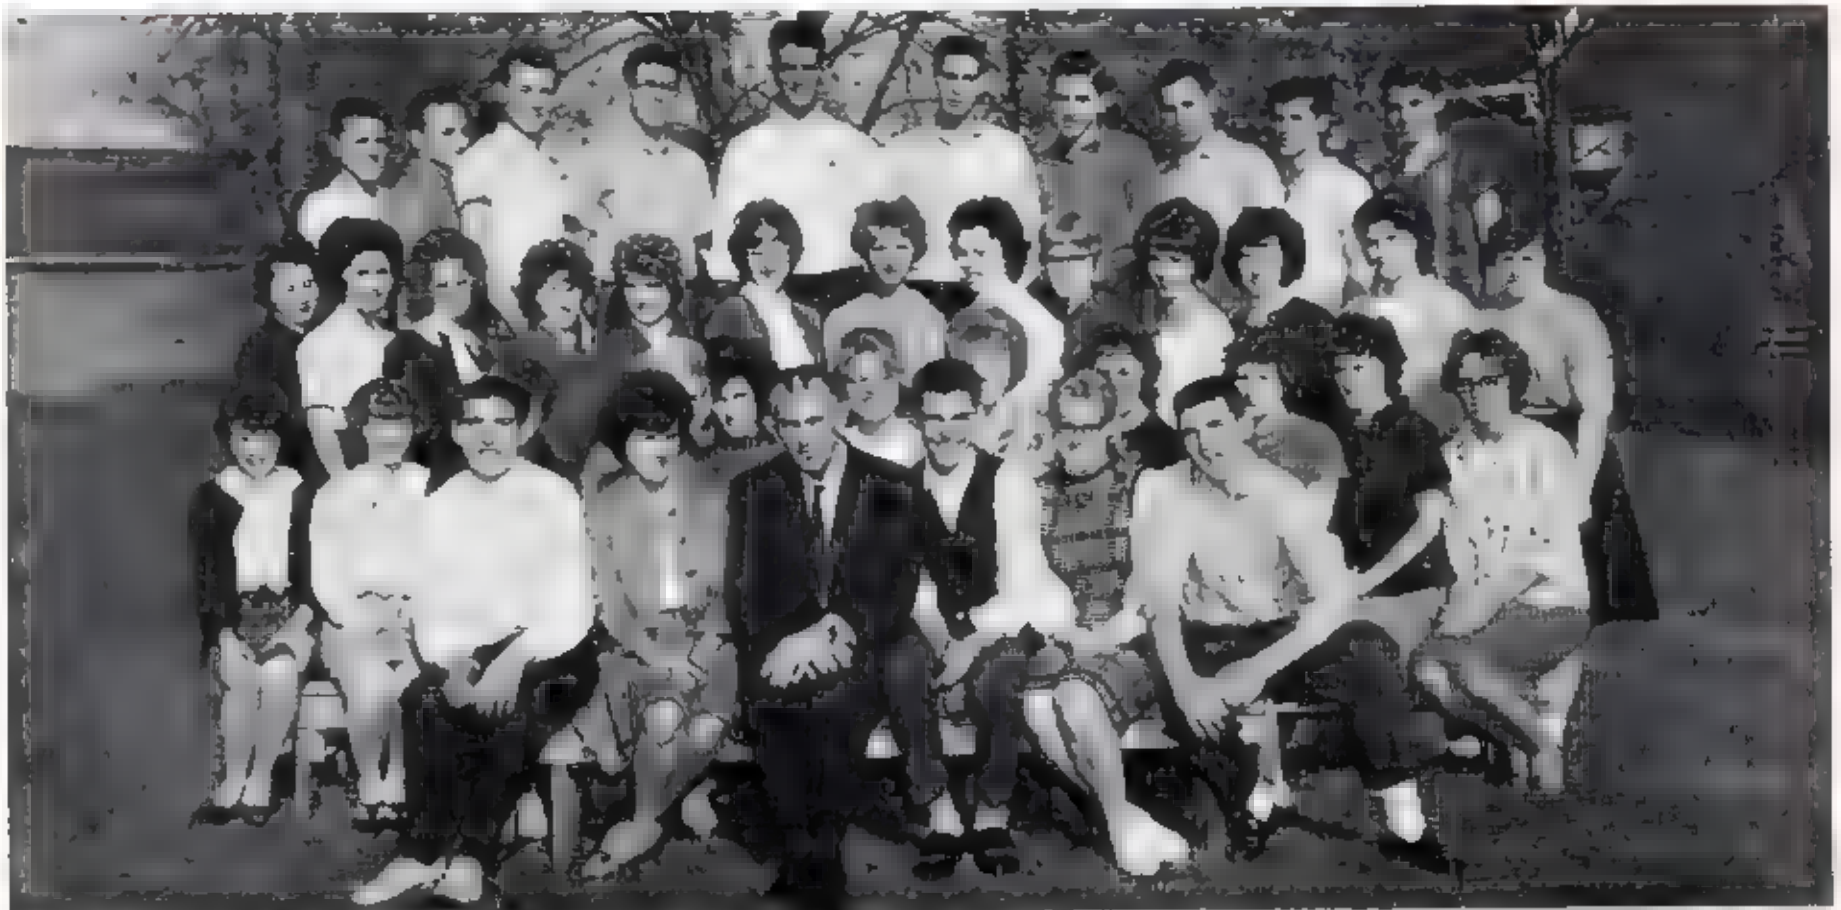

The students who offered to work in the refreshment stand did so on their own time with free admission to the games, a sandwich and a bottle of pop as their only reward.

The Girls' Athletic Association is an organization whose aim is to teach good sportsmanship and provide opportunities to develop athletic ability.

The membership of the club is composed of the tenth, eleventh, and twelfth-grade girls who are interested in sports, especially basketball.

The club had a meeting in the gym every month at which time the girls usually played basketball or danced.

The capable officers were: Gustine Lewis, President; Gerri Metz, Vice-President; and Phyllis Montgomery, Secretary-Treasurer.

In November all the members who wished to order G.A.A. jackets or sweaters did so.

On December 25, the G.A.A. held their dance after the wrestling match.

This year the club was under supervision of Mrs. Howard and Mrs. Thames.

Mr. Regis Brozier is the advisor of the

Hi-Lite.

The Editors-in-Chief are Carol Cindrich and Carol Meccanic; Feature Editors are Janet Bartoletti and JoAnne Bokulich; News Editor is Cheryl Ralston; Sports Editor is Bob Zernich; and Business Manager is Marilyn Kemp.

The Journalism Class held its annual dance in which they crowned the Football King and Queen of 1962.

Senior National Honor Society

Scholarship, leadership, character, service, and citizenship are the qualities upon which membership in the Senior National Honor Society is based. At the induction service in February the Society welcomes those students whose membership has been approved by the faculty council.

Under the direction of Miss Filipponi the Society has completed its twelfth successful year.

At each monthly meeting, informative and entertaining programs are presented. These have included such things as; a tea honoring the faculty, travel slides, and enrichment programs.

It is hoped that each member has profited from his membership.

Junior Varsity Football

FIRST ROW: Left to Right, D. Mader, D. DiOrio, R. Froats, W. LaRue, J. Davis, J. Dellaria, R. Baileys, E. Scaracino, D. Dinati, L. Hall, TOP ROW: Mr. Astorina,

T. Bertolotti, L. Pagonavich, G. Wetzel, D. Radacoy, J. Vizyak, J. Zibitrosky, G. Lonick, M. Shuble, M. Thomas, Mr. Reich.

The football reserves and freshman teams do not see as much action on the field as the varsity. This lack of action does not lessen the members' interest in football.

Although the boys were inexperienced, they continuously showed a determination to learn everything possible about football. They gained experience steadily throughout the season as evidenced by improved scores and

skill.

This experience will prove of great value when these members replace the graduating seniors now representing the varsity team. This will take some doing as our present varsity proved to be a champion team. The cup they won is shown in the sports divider page. It is on permanent display in Union's trophy case.

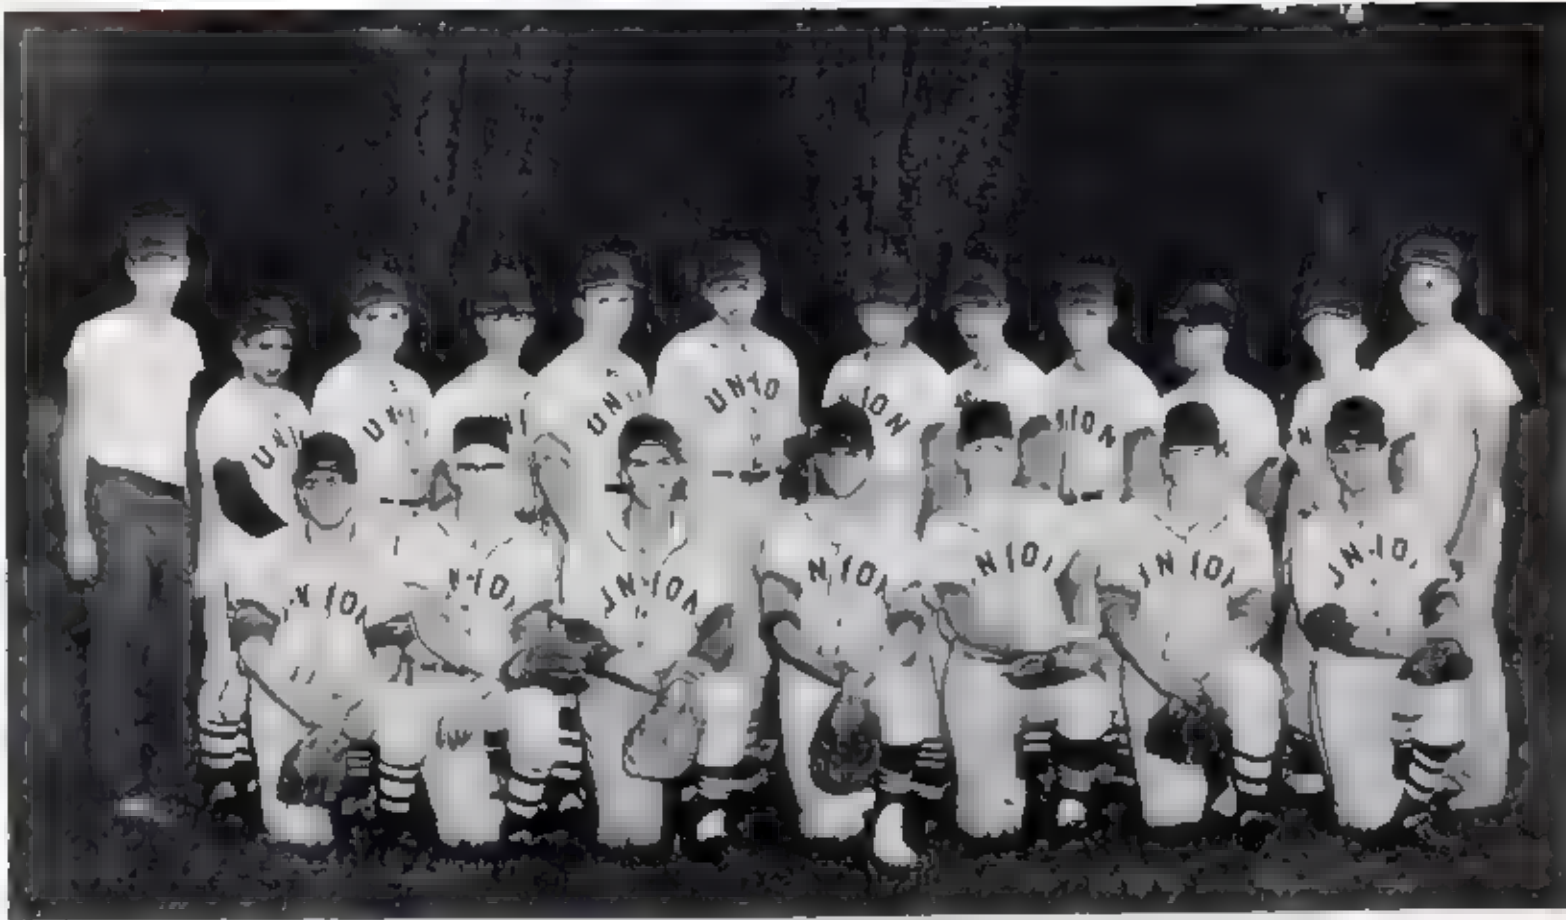

First kickoff!

Action plus!

The basketball season proved to be not as good as previous years. This was due to the graduation of most of last year's players. Though the won-lost record amassed by the squad was not remarkable, the members showed frequent sparks of top-notch ability.

In the daily workouts, the reserves gained valuable experience, this should show off in a better season's record during the coming years.

The fifteenth year of wrestling at Union High School proved to be another successful year. While the games won were not quite as high as in previous years due to the lack of experienced wrestlers, the overall showing was good.

The long hours of hard work and fine

coaching by Mr. Sedlak and Mr. Kimberland accounted for the difference.

This year's training, that found the wrestlers in there trying at all times, should find Union making the usual showing in coming years.

Much credit goes to our Board of Education for their excellent management of the internal affairs of our school system. They provide equipment, select the teachers and personnel, direct the finances of the educational program, and are responsible for the maintenance of our schools.

The principal job of the Athletic and Activities Council is to make plans for the sports season. They determine school policies, and by so doing they keep alive the good name and high ideals of our school. Throughout the many years it has existed they have been able to accomplish it.
